

Gypsy Lights

Quicksilver Messenger Service

Hear me callin' out your name.
I'll be wondering 'till the end of time.
Would it still have been the same?
Put that smile on me and you'll remain.

Come back baby, come back.
Come back baby, come back.
To me...
Come back baby, come back.
Come back baby, come back.
To me...

I've seen things I should not see.
On a moon at night, all oceans wide.
I've seen Gypsy's Lights on fire.
(Flying silently across the sky.

Come back baby, come back.
Come back baby, come back.
To me...
Come back baby, come back.
Come back baby, come back.
To me...

On some moon at night they'll come.
Take me where true love will never die.
Maybe then you'll will return.
We can fly away on Gypsy's Lights.

Come back baby, come back.
Come back baby, come back.
To me...
Come back baby, come back.
Come back baby, come back.
To me...

Come back baby, come back.
Come back baby, come back
