

All Day and All of the Night

Quiet Riot

I'm not content to be with you in the day time
Girl, I want to be with you all of the time
The only time I feel alright is by your side
Girl I want to be with you all of the time

All day and all of the night
All day and all of the night
All day and all of the night

I believe that you and me last forever
Oh yeah, all day and night time yours, leaves me never
The only time I feel alright is by your side
Girl, I want to be with you all of the time

All day and all of the night
All day and all of the night
All day and all of the night oh yeah

I believe that you and me last forever
Oh yeah, all day and night time yours, leaves me never
The only time I feel alright is by your side
Girl, I want to be with you all of the time

All day and all of the night
All day and all of the night
All day and all of the night
