

# King of the Hill

Quiet Riot

Hey feel like goin' into town, boy  
Don't be a fool  
Cause they're out to get you there  
Any way they can  
You better watch your left  
You better watch your right  
Cause they're comin' at you, yeah  
Comin' from both sides

Hold your head up high  
Look'em in the eye  
No need to compromise  
It's time you realize

Can you tell me  
(Who-o's) Who's king of the hill  
(Who's king of the hill)  
Can you tell me, yeah  
(Who-o's) Who's king of the hill

So get up on your feet, boy  
Don't let'em get you down  
You got to watch your backside  
Yeah, no time to fool around

They'll try to run you down  
Into the ground, yeah  
That's the name of the game  
You better stand tall  
Tear down the wall  
You did your best  
To hell with the rest, tonight

Hold your head up high  
Look'em in the eyes  
No need to compromise

Can you tell me  
(Who-o's) Who's king of the hill  
(Who's king of the hill)  
Can you tell me  
(Who-o's) Who's the king of the hill  
Please somebody out there  
Tell me who-o's king of the hill  
Can you tell me, yeah  
(Who-o's) Who's king of the hill  
(Who's the king of the hill) Yeah

Hey, get lost man  
Do you think it's tough enough  
Well I got news for you  
Let me tell you  
I'm the king of the hill

Yeah fool, I'm talking to you  
Hey listen here and listen good  
You're in the wrong place, dude

Yeah show'em where it's at Carlos

I am king, uh ah uh ah  
I am king of the hill, yeah  
Out of my way punk  
Yeah, your ass is mine

Can you tell me
