

The Wild and the Young

Quiet Riot

Times are changing
Nothing stays the same
For this jukebox generation

Adhere to fashion
Like computer games
Modern day communication

The news hard to take
Will fade tomorrow
They are the strong
They'll survive

The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young

Yeah
Hah!

Roaring passion
With no guilt or shame
It's accepting education, yeah!

Misbehaving
No regrets, no blame
With a bold kind of sophistication

So close to the edge
And high on the wire
They are not wrong
They're alive

The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young

Ha!

So close to the edge
And high on the wire
They are not wrong
They're alive

Look out!

Wild, wild
The wild and the
Young, y-y-y-young

The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run

The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young

Oh yeah

The wild and the young
Oh

Right
