Quietdrive

I can tell when you're feeling lonely  
I can tell when you're eyes say  
"Hold me"  
It's true  
(it's true)  
It's true  
(It's true)  
That I'm always thinking of you  
I wake up in the middle of the night  
and you're not by my side  
and you're stuck in my mind  
and I'm always  
and I'm always thinking of you  
Stop! No wait a minute  
Stop! 'Cause I'm not finished  
trying to say what you mean to me  
That I'm always thinking of you  
Always thinking of you  
(It's you)  
Always  
(It's you)  
Always  
(It's you)  
Always  
(It's you)  
Always  
Always thinking of you  
Always thinking of you  
(It's you)  
Always  
(It's you)  
Always  
(It's you)  
Always  
(It's you)  
Always  
I don't know if we'll make it there  
There's been times when I've been to scared  
But it's true  
(it's true)  
It's true  
(It's true)  
That I'm always thinking of you  
I can tell when you're feeling lonely  
I can tell when you're eyes say  
"Hold me"  
It's true  
(it's true)  
It's true  
(It's true)  
That I'm always thinking of you  
I wake up in the middle of the night  
and I'm stuck in a dream  
take me back to the scene  
and I'm always  
When I'm always thinking of you  
Stop! No wait a minute

Stop! 'Cause I'm not finished  
trying to say what you mean to me  
That I'm always thinking of you  
Always thinking of you  
(It's you)  
Always  
(It's you)  
Always  
(It's you)
