

American Jeans

Quietdrive

American jeans happy perfume
lay in a drawer inside my room
A bottle of sleep
to get to my dreams
taste the cherry that is you
But I can't stop listening to hip hop
jumping on my bed singing stupid songs
California stuck inside my head
When you coming back?
When you coming home?
cause I need you
and I miss you
Just let it go
Let the music take control
Feel the energy explode
From your head down to your toes
And I won't let go
If you jump I'm jumping too
Cause you know
That I won't take no for answer
No I won't take no for an answer
Got all the secrets of infinity
right on my hands
Looking up at the sky
and the eternity
from where I stand
But I can't stop listening to hip hop
jumping on my bed singing stupid songs
California stuck inside my head
When you coming back?
When you coming home?
cause I need you
and I miss you
Just let it go
Let the music take control
Feel the energy explode
From your head down to your toes
And I won't let go
If you jump I'm jumping too
Cause you know
That I won't take no for answer
No I won't take no for an answer
So what?
If everybody's looking at you
So what?
If they think you're crazy, I'm crazy too
So what?
Who cares?
Make a point
Make em stare
Flip your finger in the air
And just let it go
Let the music take control
Feel the energy explode
From your head down to your toes
And I won't let go
If you jump I'm jumping too

Cause you know
That I won't take no for answer
No I won't take no for an answer
No I won't take no for an answer
No I won't take no for an answer
