

AVALANCHE

Quietdrive

Sunrise, sunset.
Thinking about the things you said.
Trying to get you out of my head.
I can't help but feeling so upset.
Maybe we break down.
Maybe we won't.
Maybe we question.
The things that we'll never know.
Or maybe we'll fall in love, or we'll fall apart.
Maybe we'll crash and burn, right before we start.
You're an avalanche colliding with my heart.
Baby don't stop.
Baby don't stop.
Maybe our chemistry, is a work of art.
Maybe we're burning up, like a falling star.
In another place, and another time.
Maybe I'll be yours.
Maybe you'll be mine.
Maybe I'll be yours.
Maybe you'll be mine.
I know, I know, we live like we're gonna live forever.
Fight like we're gonna be together forever but we never know, oh.
So don't hold your breath.
Maybe we break down.
Maybe we won't.
Maybe we question.
The things that we'll never know.
Or maybe we'll fall in love, or we'll fall apart.
Maybe we'll crash and burn, right before we start.
You're an avalanche colliding with my heart.
Baby don't stop.
Baby don't start.
Maybe our chemistry, is a work of art.
Maybe we're burning up, like a falling star.
In another place, and another time.
Maybe I'll be yours.
Maybe you'll be mine.
Maybe I'll be yours.
Maybe you'll be mine.
Sunrise, sunset.
Thinking about the things you said.
Trying to get you out of my head.
But we're not over yet.
Maybe we'll fall in love, or we'll fall apart.
Maybe we'll crash and burn, right before we start.
You're an avalanche colliding with my heart.
Baby don't stop.
Baby don't start.
You're an avalanche, bury me alive.
You're an avalanche, bury me alive.
You're an avalanche, bury me alive.
Maybe I'll be yours.
Maybe you'll be mine.
(bury me alive)
Maybe I'll be yours.
Maybe you'll be mine.
(bury me alive)

Maybe I'll be yours.
Maybe you'll be mine.
(bury me alive)
You're an avalanche, bury me alive.
