

# Birthday

Quietdrive

I'm falling into words I never knew  
I never meant say the words "I love you"  
But it was in my heart  
and it felt new  
was it true for you  
was it true for you  
Of course you'd like to play  
that we'd be friends  
It couldn't stay that way  
'cause we'd pretend  
that everything was fine  
until the end  
when everything goes wrong  
where did I go wrong  
I'm sorry I forgot your birthday  
I'm sorry 'cause I was shit faced  
I thought it was on a Wednesday  
a Monday or a Tuesday  
It's all the same to me  
So what would make you happy  
Tell me cause I'm sorry  
These colors that we find  
look all the same to me  
I know that you've been hurt  
but in the end  
I'd liked to say it's worth  
all the things that we did  
But now you found me out  
my insides dead  
what have I done wrong  
what have I done wrong  
I'm sorry I forgot your birthday  
I'm sorry 'cause I was shit faced  
I thought it was on a Wednesday  
a Monday or a Tuesday  
It's all the same to me  
So what would make you happy  
Tell me cause I'm sorry  
These colors that we find  
look all the same to me  
I couldn't take those things from you  
I made mistakes but you have too  
We could have made it work but we  
lost when you left  
and you didn't have to  
you didn't have to  
you didn't have to  
I'm sorry I forgot your birthday  
I'm sorry 'cause I was shit faced  
I thought it was on a Wednesday  
What did all your friends say  
They're all all the same to me  
So what would make you happy  
Tell me cause I'm sorry  
These days that go by  
feel all the same to me  
(feel all the same to me)

feel all the same to me  
(feel all the same to me)  
feel all the same to me  
(feel all the same to me)  
feel all the same to me  
(feel all the same to me)  
feel all the same to me
