

## Do You Know

Quietdrive

Chorus

Do you know

How I feel

When you change your mind?

Make me see

What they said

Would come true in time?

Too late now

I won't wait

Wish I'd take it back

So far you're not the same anymore

Here's a tip, I'll make it easy

No more you or I'll go crazy

Stop 'cause you made it lazy

No it doesn't phase me

I don't want to be your running mate

I don't want to be with you anyway

Chorus

It doesn't register as clearly

As you thought I'd make it easy

Pushing time and pressing feelings

I don't know what you've been hearing.

I don't want to be your running mate

I don't want to be with you anyway

Chorus

Do you know

How I feel

When you put your hands

On down to the small

Of my back

Do you know (Do you know)

Do you know how it feels

When you put your heart

In the scar in the floor

Do you know (Do you know)

Do you know (Do you know)

Do you know

Do you know

Do you know

Chorus
