

# Mandolin Rain

Quietdrive

The song came and went  
Like the times that we spent  
Hiding out from the rain under the carnival tent  
I laughed and she'd smile  
It would last for awhile  
You don't know what you got till you lose it all again

## CHORUS

Listen to the mandolin rain  
Listen to the music on the lake  
Listen to my heart break every time she runs away  
Listen to the banjo wind  
A sad song drifting low  
Listen to the tears roll  
Down my face as she turns to go

A cool evening dance  
Listening to the bluegrass band takes the chill  
>From the air till they play the last song  
I'll do my time  
Keeping you off my mind but there's moments  
That I find, I'm not feeling too strong

## CHORUS

Running down by the lakeshore  
She did love the sound of a summer storm  
It played on the lake like a mandolin  
Now it's washing her away once again

## CHORUS

The boat's steaming in  
I wait  
In the sidewheel spin and I  
Think about her when I hear that whistle blow  
I can't change my mind  
I knew all the time that she'd go  
But that's a choice I made long ago

## CHORUS
