

Motivation

Quietdrive

See you, right around the corner
I know, that you were getting closer
It dawned on me, it dawned on me
That you could be, the one for me, but
I'm sure, you've heard it all the time
I look, just like the other guy
Next to me, next to me
Next to me, next to me
Let's go home together
You'll say that, it's good for me
You're good for me
But it's all in my head
When I wake in my bed
Don't know
I've got, no motivation
I get no, stimulation
You could be, you could be
The one for me
We will see that
I've got, no motivation
Give me, some motivation
(In this life, in this life, in this life)
And I know you're not
One of those girls
Who takes her time
She'll come for me, she'll come for me
She'll come for me
I'm not gonna wait for eternity
For you to take your turn with me
Turn with me, turn with me
I've got, no motivation
I get, no stimulation
You could be, you could be
The one for me
We will see that
I've got, no motivation
Give me, some motivation
(In this life, in this life, in this life)
Baby, it's fine
If you want to be mine
Just call out my name
Don't wait in line
Just take, my hand
And break, my heart, tonight
I've got, no motivation
I get, no stimulation
You could be, you could be
The one for me
We will see that
I've got, no motivation
Give me, some motivation
(In this life, in this life, in this life)
Take me home with you (I've got, no motivation, I get, no stimulation)
I can't go alone (You could, you could be, the one for me, we will see)
And take me home tonight (You and me, you and me, perfectly, and you will see)
(In this life, in this life, in this life)
