

Freedom Mountain

Quill

Leaving for tomorrow
'Cause I'm tired of today
High above the mountains
In an April sky I sway
Oh - Yeah I'm tired of today
Oh - In an April sky I sway

And I lay myself down
Yeah I lay myself
Down on the freedom mountain

I think it's here I'll seek protection
To escape the ricochet
Like a fireball it's speeding
So I think I'd better stay
Oh - to escape the ricochet
Oh - Yeah I think I'd better stay
