

## Freedom Mountain

Quill

Leaving for tomorrow  
'Cause I'm tired of today  
High above the mountains  
In an April sky I sway  
Oh - Yeah I'm tired of today  
Oh - In an April sky I sway

And I lay myself down  
Yeah I lay myself  
Down on the freedom mountain

I think it's here I'll seek protection  
To escape the ricochet  
Like a fireball it's speeding  
So I think I'd better stay  
Oh - to escape the ricochet  
Oh - Yeah I think I'd better stay
