Freedom Mountain

Leaving for tomorrow 'Cause I'm tired of today High above the mountains In an April sky I sway Oh - Yeah I'm tired of today Oh - In an April sky I sway

And I lay myself down Yeah I lay myself Down on the freedom mountain

I think it's here I'll seek protection To escape the ricochet Like a fireball it's speeding So I think I'd better stay Oh - to escape the ricochet Oh - Yeah I think I'd better stay
