

In The Shadows

Quill

I will never leave, in the shadows I belong
In the shadows I belong

Silver skies and butterflies
Bring me to where freedom lies
Give me what I need and all I praise
Won't trade my soul for nothing else

Was blind, I see clearly now
alright, I have found peace

I will never leave, in the shadows I belong
Until the day I die, I'll be hiding from the sun
I will never leave, in the shadows I belong
In the shadows I belong

I'm giving in, I steal your wings
Cause I'm the one who's suffering
If I can't make it on my own this time
I will have another try, I will have another try

Was blind, I see clearly now
alright, I have found peace

I will never leave, in the shadows I belong
Until the day I die, I'll be hiding from the sun
I will never leave, in the shadows I belong
Until the day I die, I won't rest until I'm done

I will never leave, in the shadows
Until the day I die, I'll be hiding
I will never leave, in the shadows I belong
In the shadows I belong
In the shadows I belong
