

Triumph is A Sea of Flame

Quill

I can't take it I thirst for water
Searching focus, I'm craving order
Fast I'm sinking in a crazy, messed up world
Set it free, set it free, bring me fire

Triumph is a sea of flames
Drowning in the fire now
Triumph is a sea of flames
Walk into the fire now
Triumph is a sea of flames
Drowning in the fire now

I'm the demon, the attraction
Bless me father, need satisfaction,
It's revolution, when I suffer I create
Set it free, won't you set it free, bring me fire

Triumph is a sea of flames
Drowning in the fire now
Triumph is a sea of flames
Walk into the fire
Triumph is a sea of flames
Drowning in the fire now

Burn it to the ground
Burn it to the ground
