

Until Earth Is Bitter Gone

Quill

I won't ever disappear I'll hide behind the sun
Resting until earth is bitter gone
Nothing's like the rain it makes my fountain flow again
Crying 'til the earth is bitter gone

Isolated, here I am, who's surfing in the snow
Who's tripping 'til the earth is bitter gone
Wrong is always right I'll give salvation if I might
See us burn 'til earth is bitter gone

Going down, going down

Do you believe I am fire I am the light
How do you know if you won't ever give it a try
It's up to you cause everything is meant to be found
Let us crash together let us tumble down

Until earth will be bitter gone, will be bitter gone
Until earth will be bitter gone, will be bitter gone
