

(Wade Across) The Mighty River

Quill

Shame
Been given silver though I beg for gold
I've been framed
Nobody ever told me life is beautiful
Yeah Lord knows why

It's wearing and tearing, yeah Lord knows
Lord knows why
Someone's stolen my soul, I'm bound to wade across the
Mighty river

Mighty river

Shame on you woman, shame on you now
Shame on you woman, shame, shame
Yeah Lord knows why
It's wearing and tearing, yeah Lord knows
Lord knows why
Someone's stolen my soul, I'm bound to wade across the
Mighty river
