

If You Pay I Sing

Quimby

Jesus made a miracle
Jesus made a miracle
Jesus made my bottle walk

My day has come,
I've gotta go
but I still have

a song to show

a song that makes

your bottle go
I've gotta fly

when a banjo rings
But my maker gave me

hands not wings
So I've gotta fly with drinks

It's easier than

you would think
to sip the drink

just sip the drink
If you pay

I try to sing anything
I'll try to drink anything
