If You Pay I Sing

Jesus made a miracle Jesus made a miracle Jesus made my bottle walk

My day has come, I've gotta go but I still have

a song to show

a song that makes

your bottle go I've gotta fly

when a banjo rings But my maker gave me

hands not wings So I've gotta fly with drinks

It's easier than

you would think to sip the drink

just sip the drink If you pay

I try to sing anything I'll try to drink anything

Quimby
