

Foul Owl

Quincy Jones

All you little birds better lock up tight
'Cause there's a foul owl on the prow! tonight.

Hey, little lark, get outta the dark.
Foul owl on the prow!

Cute little jay, stay outta his way.
Foul owl on the prow!

You just might be the quail he'll tail.
Foul owl on the prow!

You just might be the swallow he'll follow.
Foul owl on the prow!

If you hear him hoot, scoot.
If you pass his tree, flee.
If you catch his eye, fly.
Don't wait to say goodbye.

He's got a yen for a purdy little hen.
Foul owl on the prow!

He's hungry for a chick, so get home quick.
