

# I'll Be Good to You

Quincy Jones

I want to know, baby  
Just how you feel, girl  
Said I wanna know  
If what you feel is real, girl

'Cause there's a reason  
For the things that I say, what I talk about  
But oh, I wanna love ya girl  
In a special way, come 'ere woman

We've been together, for so very long  
I'd hate to break up, break up my happy home

(The way we stand and the way we lie)  
The way we lie  
(The way we love and the way we cry)  
Girl, we cry  
(Of all these things, there comes a time)  
There's a time  
(Makes me feel that it's worth a try)  
Makes me feel  
(I'll be good to you)

(Good to ya, good to ya, good to ya)  
(I'll be good to ya, I'll be good to ya, good to ya)  
(I'll be good to ya, good to ya, good to ya)  
(I'll be good to ya, I'll be good to ya)

Girl you said, we've been together  
So very long, very long  
I would hate to break up, break up my happy home  
Let me take off your shoes  
Take a stand, now, and let me know how  
Oooh always, baby always, and all your know-how, baby

(The way we stand and the way we lie)  
Um-hum the way we lie  
(The way we love and the way we cry)  
The wa-ay-ay-ay, we cry  
(Of all these things, there comes a time)  
Oooo  
(Makes me feel that it's worth a try)  
Oooo  
(I'll be good to you, good to ya, good to ya)  
I'll be good  
(I'll be good to ya, I'll be good to ya, good to ya)  
(I'll be good to ya, good to ya, good to ya)  
(I'll be good to ya, I'll be good to ya)

(Good to ya, good to ya, good to ya)  
(I'll be good)  
(I'll be good to ya, I'll be good to ya, good to ya)  
(So good, to you)  
(I'll be good to ya, good to ya, good to ya)  
(I'll be good)  
(I'll be good to ya, I'll be good to ya)  
(So good, to you)

Girl, I'll be good to you, baby  
Y'know I'll be good to you  
Take you shopping, you know what I mean baby, anything  
you want  
I'll be good to you  
I'll give it up, with my credit cards,  
Like Visa, MasterCard, American Express,  
Turn my pants upside down  
Any day of the week  
Ow-oh, you, you, you  
Come here, give me love  
Talk to me

(Good to ya, good to ya, good to ya)  
Girl I'll be good to you  
(I'll be good to ya, I'll be good to ya, good to ya)  
(I'll be good to ya, good to ya, good to ya)  
I'll be good to you  
(I'll be good to ya, I'll be good to ya)  
I'll be good to you, I said I will, I ain't lying, baby  
Oooo-hoo

(Good to ya, good to ya, good to ya)  
(I'll be good)  
I'll be good to you  
(I'll be good to ya, I'll be good to ya, good to ya)  
(So good, to you)  
Girl, I'll be good to you  
(I'll be good to ya, good to ya, good to ya)  
I'll be good to you  
(I'll be good)

I'll be good to you, I said I will, I ain't lying, baby  
(So good, to you)
