

# If I Ever Lose This Heaven

Quincy Jones

If you're foolin', only foolin'  
All I ask is "Why?"  
If you're playin', all I'm sayin'  
Is feelings sure collide  
If you're lyin', keep on lyin'  
Don't tell the truth, don't you dare  
You can't drop me, 'cause baby you still got me  
After takin' me way up there  
Way up there

Oh,  
If I ever lose this heaven  
If I ever, ever lose this heaven  
Oh, I'll never be the same

Oh,  
If I ever lose this heaven  
If I ever, ever lose this heaven  
Oh, I'll never be the same

When you're kind, extra kind  
Then suddenly, oh baby get crossed  
You're so moody, you get to me  
And I can't turn you off  
You're fascinating, much more fascinating  
Than the dark side of the moon  
You're so exciting, hey baby I'm re-writing  
This book of love called "You"  
Yes it's you

Oh,  
If I ever lose this heaven  
If I ever, ever lose this heaven  
Oh, I'll never be the same

Oh,  
If I ever lose this heaven  
If I ever, ever lose this heaven  
Oh, I'll never be the same

Oh,  
If I ever lose this heaven.... (fade)
