

# One Hundred Ways

Quincy Jones

Compliment what she does  
Send her roses just because  
If it's violins she loves  
Let them play

Dedicate her favorite song  
and hold her closer  
All night long  
Love her today  
Find one hundred ways

Don't forget there could be  
An old lover in her memory  
If you need her so much more  
Why don't you say

Maybe she has it in her mind  
That she's just wasting her time  
Ask her to stay  
Find one hundred ways

Bein' cool won't help  
You keep a love warm  
You'll just blow your chance  
Take the time to open up your heart  
That's the secret of romance

Sacrifice if you care  
Buy her some moonlight to wear  
If there's one more star she wants  
Go all the way

In your arms tonight  
She'll reflect  
That she owes you the sweetest of debts  
If she wants to pay  
Find one hundred ways

In your arms tonight  
She'll reflect  
That she owes you the sweetest of debts  
If she wants to pay  
Find one hundred ways

Ya better believe it, whoa  
Love her today  
Find one hundred ways

I'm telling you  
To love her today  
Find one hundred ways

Whoa, love her, love her  
Love her one hundred ways

You've got to love her today  
Find one hundred ways
