

# Superwoman (Where Were You When I Needed You)

Quincy Jones

Mary wants to be a superwoman  
But is that really in her head  
But I just want to live each day  
To love her for what she is  
Mary wants to be another movie star  
But is that really in her mind  
And all the things she wants to be  
She needs to leave behind  
But, very well, I believe I know you-very well  
Wish that you knew me too-very well  
And I think I can deal with everything going through your head  
Very well, and I think I can face-very well  
Wish that you knew me too-very well  
And I think I can cope with everything going through your head  
Mary wants to be a superwoman  
And try to boss the bull around  
But does she really think that she will get by with a dream  
My woman want to be a superwoman  
And I just had to say good-bye  
Because I can't spend all my hours start to cry  
But, very well, I believe I know you  
Very well wish that you knew me too  
Very well, and I think I can deal with everything going through your head  
Very well, think that I know you too  
Very well, wish you knew me like I know you  
Very well, but I think I can deal with everything going through your head  
Your filthy head  
Very well, dum dum da, dum dum da  
Very well, wish you knew me too  
Very well, and I wish I could think of everything going through your head  
Very well, dum dum da, dum da, dum da dum dum da, dum da, very well  
And I think I can deal with everything going through your head  
When the summer came you were not around  
Now the summer's gone and love cannot be found  
Where were you when I needed you-last winter, my love?  
When the winter came you went further south  
Parting from love's nest, leaving me in doubt  
Where are you when I need you, like right now?  
Our love is at an end  
But you say now you have changed  
But tomorrow will reflect love's past  
When the winter came you were not around  
Through the bitter winds love could not be found  
Where were you when I needed you, last winter, my love?  
Oh I need you baby, I need you baby  
Our love is at an end  
But you say now you have changed,  
But tomorrow will reflect love's past oh  
Spring will fill the air and you will come around,  
Well is it summer love that will let me down,  
Where were you when I needed you, last winter, my love?  
La la la la la, la la la la la  
La la la la la, la la la la la  
Where are you when I need you, like right now?  
Right now, right now, right now  
Where were you when I needed you last winter, my dear  
I need you baby, I need you baby, I need you baby

Oh, Where were you when I needed you last winter, last winter  
Yea, need you baby, need you, need you baby,  
Oh, you want me too need you baby  
Oh where were you when I needed you last, dear  
Yea
