```
I don't care what you do
I'm not gonna do it I don't like you
Well you can't be what you love
I know that you wont get far
```

You're gonna die You're gonna die You're gonna die One day

I see your faces you say
I know that you are just play
One day I'll see
The real you
That'll be the day you're through

You're gonna die You're gonna die You're gonna die One day

One, two, fuck you
Me at you it's war
Not gonna take your shit no more
One day I'll get revenge
That'll be your end

You're gonna die You're gonna die You're gonna die One day

Well I don't care Well I don't care Well I don't care
