

## Nic Fit

Quincy Punx

Sitting in my room  
and I find I'm outa smokes.  
All my money went to beer  
so now I'm fucking broke  
Need a drag of something  
so I'm digging through the couch.  
I roll up all the butts  
from every ashtray in the house  
I got a couple shitty smokes  
but there's still a case of beer  
I haven't gone this long  
without a smoke in fucking years  
with all this speed that's in my brain.  
If I dont get some cigarettes  
I'm gonna go insane.  
Nic-fit! Nic-fit!  
Nic-fit! Nic-fit!  
Nic-fit! Nic-fit!  
Sitting in my room  
and I find I'm out of smokes.  
All my money went to beer  
so now I'm fucking broke  
Need a drag of something  
so I'm digging through the couch.  
I roll up all the butts  
from every ashtray in the house

without a smoke in fucking years  
with all this speed that's in my brain.
