

# Break the Cycle

Quo Vadis

The Road To Hell Is Paved  
With Good Intentions  
Dreams Can Only Sustain For So Long  
Turning Away With Apprehension  
Life Passes You By As You  
Trip Over Another Lost Cause

Life Goes On..

Open Your Eyes, Break The Cycle  
Open Your Eyes, Alone In The Crowd  
(Of Unscrupulous Mind)  
Open Your Eyes, Break The Cycle  
Open Your Eyes, Open Your Mind

Hours Turn Into Days Of Endless Struggle  
On The Road To Nowhere  
What Was Once Clear, Now A Distant Shadow  
Why Effort Alone Is Not Enough  
To Stop The Tide From Washing You Away...

Life Goes On..

The Acrid Smell Of Deceit  
The Fuel That Transforms Notion Into Sound  
Absorbed And Fused, Minds Confused  
Into Catalytic Tone...  
Condemns And Decries The Mistakes,  
And The lies, And The Pain

Solo: Seghers  
Solo: Frydrychowicz  
Solo: Seghers

The Road To Hell Is Paved With Good Intentions  
Dream Can Only Sustain For So Long  
Open Your Eyes  
And Break Away From Your Restraints  
Let The Blind Guide Your Path No More...

Break Free From Your Past

Open Your Eyes, Break The Cycle  
Open Your Eyes, Alone In The Crowd  
(Of Unscrupulous Mind)  
Open Your Eyes, Break The Cycle  
Open Your Eyes, Open Your Mind

Hours Turn Into Days Of Endless Struggle  
On The Road To Nowhere  
What Was Once Clear, Now A Distant Shadow  
Why Effort Alone Is Not Enough  
To Stop The Tide From Washing You Away...

Life Goes On  
To The Road To Hell,  
To Rest, After Life In Pain!
