

# All the Way to Reno (You're Gonna Be a Star)

R.E.M.

Humming  
All the way to Reno  
You've dusted the non believers  
And challenge the laws of chance  
Now, sweet  
You were so sugar sweet  
You may as well have 'kick me'  
Fastened on your sleeve

You know what you are  
You're gonna be a star.  
You know what you are  
You're gonna be a star

Wing  
Is written on your feet  
Your achilles heel  
Is a tendenc  
To dream  
But you've know that from the beginning  
You didn't have to go so far  
You didn't have to go.

You know what you are  
You're gonna be a star.  
You know what you are  
You're gonna be a star

You know who you are  
You know who you are  
You know who you are

Humming  
All the way to Reno  
You've written your own directions  
And whistled the rules of change.

You know what you are  
You're gonna be a star (star)  
You know what you are,  
You're gonna be a star (star)  
You know what you are,  
You're gonna be a star (star)  
You know what you are,  
You're gonna be a star (star)

Humming  
All the way to Reno  
All the way to Reno  
All the way to Reno  
You're gonna be a star, you are  
You're gonna be a star  
You're gonna be a star, you are  
You're gonna be a star
