

You're funny and you don't know why  
You're funny and you can't even cry  
You're funny and you don't know why  
You're funny and you don't even try

'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking  
'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking

Listen  
Listen  
Listen  
Listen, oh

You're hungry and you don't know why  
You're hungry and you can't even cry  
You're hungry and you don't know why  
You're hungry and you don't even cry

'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking  
'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking

You take a walk and you try to understand  
Nothing can hurt you  
Unless you want it to  
There are no answers  
Many reasons to be strong  
You take a walk, you take a walk  
You take a walk and you try to understand, oh

'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking  
'Cause your head's shaking and your arms are shaking  
And your feet are shaking 'cause the earth is shaking

You're in love and you don't know why  
You're in love and you can't even cry  
You're in love and you don't know why  
You're in love and you don't even try
