

# Electron Blue

R.E.M.

You're on your ear, the ocean's near  
The light has started to fade  
Your high is timed, you found the climb  
It's hard to focus on more than what's in front of you  
Electron Blue  
Adventure rings with a page and  
When it dawns on you,  
It sings blue  
Your buzz beginning to wane.

Adventure has laid its claim on you  
It's all you want to do.  
You  
You know where to run  
You run Electron Blue.

And who am I?  
I'm just a guy  
I've got a story like everyone  
But in your eyes  
You looked surprised  
And didn't know where to run  
I looked to her  
She's found the cure  
Her future's already begun

Tomorrow's gaining speed on you  
It's all you want to do  
You  
You know where to run  
You run Electron Blue  
You  
You know where to run  
You run electron blue

So bide your time  
You'll feel the climb  
Your high it builds like a lightning storm  
It sings like pearls  
You know that girl  
And no one is any the wiser  
So as if on cue.....  
Electron Blue

Tomorrow's gaining speed on you  
It's all you want to do  
You  
You know where to run  
You run, Electron Blue  
You  
You know where to run  
You run, Electron Blue  
You  
You know where to run  
You run, Electron Blue
