

## Half a World Away

R.E.M.

This could be the saddest dusk I've ever seen  
Turn to a miracle, high-alive  
My mind is racing, as it always will  
My hands tired, my heart aches  
I'm half a world away here  
And I had sworn to go it alone, hold it along  
And haul it along and hold it  
Go it alone 'n hold it along  
Hold

Oh, this lonely deeps and holy way  
Half a world, half a world away  
My shoes are gone, my life spent  
I've had too much to drink  
I didn't think, I didn't think of you  
I guess that's all I needed  
To go it alone and hold it along  
And haul it along and hold it  
Go it alone 'n hold it along  
Hold

Oh, this lonely world is wasted  
Pathetic eyes, high-alive  
Blind eye that turns to see  
The storm it came up strong  
It shook the trees and blew away our fear  
I couldn't leave it here  
To go it alone, hold it along  
Haul it along and hold it  
Go it alone hold it along  
Hold

Go it alone and hold it along  
Haul it along 'n hold it  
Blackbirds, backwards, forwards and fall  
Hold

Oh, this could be the saddest dusk I've ever seen  
Turn to a miracle, high-alive  
My mind is racing, as it always will  
My hands tired, my heart aches  
I'm half a world away to go
