

I'm Gonna DJ

R.E.M.

Death is pretty final, I'm collecting vinyl
I'm gonna DJ at the end of the world
'Cause if heaven does exist with a kicking pla list
I don't wanna miss it at the end of the world

Hey steady, steady
Hey steady, steady
I don't wanna go until I'm good and ready

It's on my mind, it's in my mind
It's what I've found, it's what I find
It's on my mind, it's in my mind
It's what I've found, oh my, my, my

Well, I'll spin my way right through it
Claims enthusiast Jack Pruitt
As I full circle the moon
As you're circling the room

The music will provide the light
You cannot resist
You cannot resist
You cannot resist

And the weblines that get tangled
As you willied and you wango'ed
When you woke up in Seattle
Where you fucked and they said no

When you turn the dread throttle
Let us raise another bottle
Raise another bottle
Raise another bottle

Because death is pretty final, I'm collecting vinyl
I'm gonna DJ at the end of the world

Hey steady, steady
Hey steady, steady
I don't wanna go until I'm good and ready

It's on my mind, it's in my mind
It's what I've found, it's what I find
It's on my mind, it's in my mind
It's what I've found, oh my, my, my

Hey steady, steady
Hey steady, steady
I don't wanna go until I'm good and ready

Hey steady, steady
Hey steady, steady
I don't wanna go until I'm good and ready

The music will provide the light
You cannot resist
You cannot resist

You cannot resist, yeah
