

# I'm Gonna DJ

R.E.M.

Death is pretty final, I'm collecting vinyl  
I'm gonna DJ at the end of the world  
'Cause if heaven does exist with a kicking pla list  
I don't wanna miss it at the end of the world

Hey steady, steady  
Hey steady, steady  
I don't wanna go until I'm good and ready

It's on my mind, it's in my mind  
It's what I've found, it's what I find  
It's on my mind, it's in my mind  
It's what I've found, oh my, my, my

Well, I'll spin my way right through it  
Claims enthusiast Jack Pruitt  
As I full circle the moon  
As you're circling the room

The music will provide the light  
You cannot resist  
You cannot resist  
You cannot resist

And the weblines that get tangled  
As you willied and you wango'ed  
When you woke up in Seattle  
Where you fucked and they said no

When you turn the dread throttle  
Let us raise another bottle  
Raise another bottle  
Raise another bottle

Because death is pretty final, I'm collecting vinyl  
I'm gonna DJ at the end of the world

Hey steady, steady  
Hey steady, steady  
I don't wanna go until I'm good and ready

It's on my mind, it's in my mind  
It's what I've found, it's what I find  
It's on my mind, it's in my mind  
It's what I've found, oh my, my, my

Hey steady, steady  
Hey steady, steady  
I don't wanna go until I'm good and ready

Hey steady, steady  
Hey steady, steady  
I don't wanna go until I'm good and ready

The music will provide the light  
You cannot resist  
You cannot resist

You cannot resist, yeah
