## Me in Honey

I sat there looking ugly, looking ugly and mean I knew what you were saying, you were saying to me Baby's got some new rules Baby said she's had it with me

It seems a shame to waste your time on me It seems a lot to waste your time for me Left me to love What it's doing to me

There's a lot of honey in this world Baby this honey's from me You've got to do what you do Do it with me

It seems a shame to waste your time for me Left me to love What it's doing to me

Knocked silly, knocked flat, sideways down These things they pick you up and they turn you around Say your piece Say you're sweet for me

It's all the same to share the pain with me It's all the same, save the shame for me Left me to love What it's doing to me

Baby's got some new rules Baby says she's had it with me There's a fly in the honey And baby's got a baby with me That's a part, that's a part of me

Left me to love What it's doing to me Left me to love What it's doing to me

What about me? What about me?
