

# Pilgrimage

R.E.M.

Take a turn, take a turn  
Take a fortune, take a fortune

They called the clip, a two-headed cow  
Keep your hate, clipped and distant  
Keep your luck with pilgrimage  
Rest assured this will not last  
Take a turn for the worst  
Keep your hate, clipped and distant  
Keep your luck, a two-headed cow

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a fortune, take a fortune

Speaking in tongues, it's worth a broken lip  
Keep your hate, clipped and distant  
Keep your luck with pilgrimage  
Rest assured this will not last  
Take a turn for the worse  
Keep your hate, clipped and distant  
Keep your luck, a two-headed cow

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a fortune, take a fortune  
Pilgrimage, pilgrimage

Speaking in tongues, it's worth a broken lip  
Keep your hate, clipped and distant  
Keep your luck  
Rest assured this will not last  
Take a turn for the worse  
Keep your hate, clipped and distant  
Keep your luck, two-headed

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a fortune, take a fortune  
Pilgrimage, pilgrimage

The pilgrimage has gained momentum  
Take a turn, take a turn  
Take a fortune, take a fortune  
Take a turn, take a turn  
Take a fortune, take a fortune
