

# Radio Song

R.E.M.

Hey, I can't find nothing on the radio  
Yo! turn to that station

The world is collapsing  
Around our ears  
I turned up the radio  
But I can't hear it

When I got to the house  
And I called you out  
I could tell that you had been crying, crying  
It's that same sing song on the radio  
It makes me sad

I meant to turn it off  
To say goodbye  
To leave in quiet, that radio song  
Hey, hey, hey (ha ha)

I've everything to show (everything to show)  
I've everything to hide (everything to hide)  
Look into my eyes  
Listen

When I got to the show  
Yo ho ho  
I could tell that you had been crying, crying  
It's that same sing song, and the DJ sucks  
It makes me sad

I tried to turn it off (turn it off)  
To say goodbye my love  
That radio song  
Hey, hey, hey

The world is collapsing  
Around our ears  
I turned up the radio  
But I can't hear it

Yeah, baby, baby, baby

I tried to sing along  
But damn that radio song  
Hey hey hey

I've everything to show (everything to show)  
I've everything to hide (everything to hide)  
Look into my eyes  
Listen to the radio

I turned up the radio  
But I can't hear it  
No, I can't hear it

Hey, hey, hey  
Say what?

Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Say what?  
Hey, hey, hey

Check it out  
What are you saying?  
What are you playing?  
Who are you obeying?  
Day out, day in, huh?  
Baby, baby, baby  
That stuff is driving me crazy  
DJs communicate to the masses  
Sex and violent classes  
Now our children grow up prisoners  
All their life- radio listeners
