

Superman

R.E.M.

(I am, I am)
I am Superman and I know what's happening
(I am, I am)
I am Superman and I can do anything

You don't really love that guy you make it with, now, do you
I know you don't love that guy 'cause I can see right through you

(I am, I am)
I am Superman and I know what's happening
(I am, I am)
I am Superman and I can do anything

If you go a million miles away, I'll track you down, girl
Trust me when I say I know the pathway to your heart

If you go a million miles away, I'll track you down, girl
Trust me when I say I know the pathway to your heart

(I am, I am)
I am Superman and I know what's happening
(I am, I am)
I am Superman and I can do anything

(I am, I am)
I am Superman and I know what's happening
(I am, I am)
I am Superman and I can do anything
