They call me the apologist and now that I'm at peak you know at first it really hurt we joke about these things I've skirted all my differences but now I'm facing up I wanted to apologize for everything I was... so I'm sorry, so sorry...

did you understand me right?
the people here are good
they tell me what I should have done
and offer what I could
I'm good, all is good
all's well, no complaints
when I feel regret,
I get down on my knees and pray
I'm sorry, so sorry...

I live a simple life unfettered by complex sweets you think this isn't me? don't be weak there I go
I'm so sorry

thank you for being there for me thank you for listening, goodbye I can forfeit selfishness i hope for you that you apply this happiness this peacefullness I'm sorry, so sorry

I live a simple life unfettered by complex sweets you think this isn't me? that's so sweet I'm so sorry
