There She Goes Again

There she goes again She's out on the streets again She's down on her knees, my friend But you know she'll never ask you please again

Now take a look, there's no tears in her eyes She won't take it from just any guy, what can you do You see her walkin' on down the street Look at all your friends she's gonna meet You better hit her

There she goes again She's knocked out on her feet again She's down on her knees, my friend But you know she'll never ask you please again

Now take a look, there's no tears in her eyes Like a bird, you know she would fly, what can you do You see her walkin' on down the street Look at all your friends that she's gonna meet You better hit her

Now take a look, there's no tears in her eyes Like a bird, you know she will fly, fly, fly away See her walking on down the street Look at all your friends that she's gonna meet

She's gonna bawl and shout She's gonna work it She's gonna work it out, bye bye Bye bye baby All right
