

A Love Letter Christmas

R. Kelly

Do do do do do do do do do
This is a Christmas remix

And it's sang
La la la la la la la la la la
Baby

Did you get my card
Did you read my love letter
Did it touch your heart
When you read my love letter

Pour the wine, read the signs
Baby, it's Christmas time
You and me underneath this tree
Candle stories told
Kisses under mistletoe
And everyone's asking their family

Did you get my card (Christmas card)
Did you read my love letter (Did you read my love letter)
Did it touch your heart (Did it touch your heart, girl)
When you read my love letter (My Christmas love letter)

Sleigh bells, sweet dreams
Kids are sleep, you and me
Wrap the gifts I can't wait til morning
Cuz, this moment's so heaven sent
Marshmallows, hot chocolate
Fireplace, you and me cuddling

Did you get my card (Christmas card)
Did you read my love letter (Did you read my love letter)
Did it touch your heart (Did it touch your heart, girl)
When you read my love letter (My Christmas love letter)

(My hope is) I hope these words find you
I wrote this letter according to my love for you
So I hope these presents will travel safely to where you are
You find my heart with a ribbon wrapped on it in a box
Though near or far, I will find a way to send my love
Only pray that it don't come back turned into cinder
If you are reading this I hope that things are well
And you can text me back, or write me back just check your mail

Did you get my card (My Christmas card, yea baby)
Did you read my love letter (Did you read my love letter, girl)
Did it touch your heart (When you read it)
When you read my love letter (My love)
