I could never be ya boyfriend
Cuz you know I gotta special girl
And I could never be ya husband
But doht dont mean you still dont rock ma world
And I can you take you to an island
We can be there just the two of us
God I love to see you smilin
All I ask is that you keep it hushed
Be ma #2
Gurl I love you
Be my #2
Gurl I need you
Be my #2
Gurl ur so fine (so fine)
Be my #2
But you will never be my #1 (3x)
I could take you out to dinner
But theres a couple places we wont go
Cuz #1 is a beginner
And theres a couple things that she dont know
So I can take you to a hotel
We can be there just the two of us
Gurl I love you cuz you dont tell
Nd you know how to keep it hush hush
Be ma #2
Gurl I love you
Be my #2
Gurl I need you
Be my #2
Gurl ur so fine (so fine)
Be my #2
