

Believe That It's So

R. Kelly

Yeah, oh my my my
Yeah
La la la la
Oh oh oh oh oh oh

Oh oh oh oh oh oh

If I told you that I placed the world right in your hands
And I'd rather be your man and girl
Believe that it's so
Believe that it's so
If I tell you love was seat down from up above for
Me and you to be together, forever

Believe that it's so
Believe that it's so

Now I believe in all these things
Soon one day come to be the best....
Just like I believe that you and me
Would let city for eternity relax
Baby I believe it

There's no mountain, there's no mountain we can move, no
Will, we will find strength in the groove... yeah

Now if I say this day was blessed because love we made it, made it
But I would be given my name and girl
Believe that it's so, believe that it's so
Believe that it's so, believe it so
Hey baby

Now if I say the dime is placed a new man in my heart
And givin me a brand new start and girl
Believe that it's so, believe it's so
Believe that it's so, believe it so

I believe that all these things
Will soon one day come to be the best...
Just like I believe that you and me
Would let city for eternity relax
Baby I believe it
There's no mountain, there's no mountain we can go, no
Will, we will find strength in the... yeah

Uh, we gonna stretch it up,
One more shot to go
Now I'm all up on the floor
There's one thing that I know
I had a little too much for drink
It's alright we switch it up right
I had a little too much to drink
Welcome to the love letter
Write me back
I had to look too much to drink
Put the drinks in the air
Let's get the show on the road

I had to look too much
Bring this snappin hands is clapping
In the club don't blowin blowin
Down this hard taking shots you already be knowin
How I do it when I do it
If I get the club
Whatever city, it's my city honey show me love
And all I aah
Got my cup in the air like ahh
Well tonight I'll just don't care

I got one more shot for show
Now I'm all up on the floor
There's one thing that I know
I had a little too much to drink
I had a little too much to drink
I had a little too much

I've been sober upon than tonight I'm drink
... I'm climbing with my crazy ass friends
Have this feel flashin lights tonight I'm shining
Burn with all the honeys I don't care who they with
'Cause all I ahh
Got my cup in the air like ahh
Well tonight I'll just don't care

I got one more shot for show
Now I'm all up on the floor
There's one thing that I know
I had to look too much to drink
I had to look too much to drink
I had to look too much

Now wanna sing
I feel just like the sun is shining... in this club
Come on baby, because that one hundred proof that is spend it like the Mary.
..
Wow wow wow

One more shot for show
Now I'm all up on the floor
And there's one thing that I know
I had to look too much to drink
I had to look too much to drink
I had to look too much

Oh break it down, break it down, break it down, break it down

Uh babe think I've had a little too much to drink
No, help me baby baby
And I baby baby
I'll never drink again like this
Baby baby baby
If you just let me get through this
Lord have mercy
