Freaky in the Club

Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club (get freaky) That money With the pretty kush taste like honey By the way shes windin it on me My goodness girl you're so freaky, you're so freaky Ooh Girl and the way you flexing that g-string And you got me tossing this money I got hotel keys Wanna leave wit me Then baby girl hop inside Bout to show you how R. Kels ride Baby what I got on my mind I hope the same thing is on your mind Tryna get you somewhere and grind Because your so fine and I just wanna have a good time Girl Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club (get freaky) Girl the way you windin it you turn me on Makin me wanna take you to my home And undress you Babygirl no doubt I wanna sex you Girl gaurantee I'll impress you Have your body goin oo aw Kelly don't stop Baby girl come with me I wanna taste yo ectasy I just wanna go divin In your pool, I'm risin

Lets do it til we both go ooo

R. Kelly

Shake your body down girl go ooo Got my kisses all over yooou Now girl make it do what it do Yeeaah Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club (get freaky) Hello, hello testing, 1, 2, 1, 2 Girl wan wind you, wan bump and grind you Shopping sprees, I wanna..wind and dine you fo-seven-six hundred head up the avenue No paparazzis please skip the interviews I wanna see ya body wine one time Come on girl lemme see you wine one time Sweet sexy mama you're so fine That la la make you stay on my mind O! girl when you make it jump Girl when you make it roll Girl when you make it drop Its like mmmm And you got me goin mmm-mm And i'm feelin you like mmmm And you feelin me like mmm-mm Girl your honey taste like mmmm Make me wan take a trip withchu Sun shinin and the sky is blue So girl come one let me take you to my private spot Baby I just wanna get you to my private spot Girl once I get your body to my private spot Flex, time to have sex Yeeeaaah Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club (get freaky) Gettin freaky in the club (get freaky) Gettin freaky in the club (get freaky) Gettin freaky in the club (get freaky)

Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club Girl let me see your body go la la Now back that thing up and make it go boomba The way you windin it girl dont stop Come on baby Gettin freaky in the club
