

## Radio Message

R. Kelly

This is a radio message to my baby  
And I'm begging her, come back, come back  
Come back, come back, come back

I'm sorry that I made you cry  
I'm sorry for the rest of my life  
And I'm sorry that I hurt you  
Girl, I'm sorry for lying to you

And I'm lost without you  
'Cause I'm all about you  
Brought you here to stay, oh man, oh me  
I'm going crazy 'cause I lost my best friend

Can you hear me, can you forgive me?  
I don't want no tickets, no limo ride  
I'm the next caller on the line

This is a radio message to my baby  
And I'm begging her come back  
Come back, come back, please come back  
Won't you come back?

This is a radio message to my baby  
And I'm begging her come back  
Come back, come back, come back, come back

And I'm sorry for treating you that way  
I'm sorry for all of the silly mistakes  
Sorry I didn't do what I promised  
And I'm sorry you're sorry that we ever met

And I'm lost without you  
'Cause I'm all about you  
Brought you here to stay, oh man, oh me  
I'm going crazy 'cause I lost my best friend

Can you hear me, can you forgive me?  
'Cause I don't want no tickets, no limo ride  
I'm the next caller on the line

And this is a radio message to my baby  
And I'm begging her come back  
Come back, come back, come back, come back

Somebody let this record just rotate  
'Til my baby come back let it rotate  
'Cause I need, I need her right back with me  
So let it rotate

Whatever it takes to play this record  
I need her to hear this record  
So please let it rotate  
'Cause I'm the next caller on the line

This is a radio message to my baby  
And I'm begging her come back

Come back, come back, come back, come back

This is a radio message to my baby  
I'm begging her come back  
Come back, come back, baby

I need you to come back  
I need you to come back  
I need you to come back  
Need you to come back

Baby, come back, oh yeah  
Please
