And whisper sweet things in her ear, oh yeah  
'Cause tonight I'm full of fire baby, oh yeah (full of fire)  
And you're the only one my heart desires, baby

You're the only one I wanna slow dance baby

I'm gonna rock 'n rollin' rock it  
All night long baby, baby  
What you've given me is a feeling so strong, so strong  
Feel my nature rise girl (feel my nature rise)  
I'm gonna make you feel good tonight  
You are the only one
