

# Steppin' Into Heaven

R. Kelly

It's the Piper y'all  
I just wanna know what y'all are doin' this weekend  
Ha, ha  
I got somethin' goin' down  
And I just want y'all to be there  
To share this dream of love

You're invited  
To come and be a part of a  
Celebration  
On my love train  
You don't need nothin'  
Come as you are, just  
Make sure when I show you love  
You show love back the same

Uhh, got my shoes, got my hat, got my suit  
And I'm ready to go now  
Oh yeah  
And me and my partner look so good  
It's like we about to do a show now  
So if you're steppin' come on down

Grab your partner  
Hit the dance floor  
Tonight we'll be  
Steppin' into Heaven  
Steppin' into Heaven  
Grab her hand and  
Spin her 'round and 'round  
Tonight we'll be  
Steppin' into Heaven

Oh, congratulations  
If you're celebratin'  
Your anniversary  
Or your birthday  
Here by yourself?  
Then get up and find some one  
Because  
We don't need no reason to celebrate

Uhh, got my shoes, got my hat, got my suit  
And I'm ready to go now  
Oh yeah  
And me and my partner look so good  
It's like we about to do a show now  
So if you're steppin' come on down

Grab your partner  
Hit the dance floor  
Tonight we'll be  
Steppin' into Heaven  
Steppin' into Heaven  
Grab her hand and  
Spin her 'round and 'round

Steppin' into Heaven

Music is like  
Music is like a holiday  
It makes me wanna celebrate  
It makes me call somebody up  
And tell'em let's go hit the floor

Every time  
Every time I  
I hear the music  
Wow  
Makes me wanna  
Makes me wanna  
Tell somebody
