You Are Not Alone

Another day has gone I'm still all alone How could this be You're not here with me You never said goodbye Someone tell me why Did you have to go And leave my world so cold

Everyday I sit and ask myself How did love slip away Something whispers in my ear and says That you are not alone For I am here with you Though you're far away I am here to stay

You are not alone I am here with you Though we're far apart You're always in my heart You are not alone

All alone Why, oh

Just the other night I thought I heard you cry Asking me to come And hold you in my arms I can hear your prayers Your burdens I will bear But first I need your hand So forever can begin

Everyday I sit and ask myself How did love slip away Then something whispers in my ear and says That you are not alone For I am here with you Though you're far away

I am here to stay For you are not alone I am here with you Though we're far apart You're always in my heart And you are not alone

Whisper three words and I'll come runnin' And girl you know that I'll be there I'll be there

You are not alone I am here with you Though you're far away I am here to stay You are not alone I am here with you Though we're far apart You're always in my heart

You are not alone For I am here with you Though you're far away I am here to stay

For you are not alone For I am here with you Though we're far apart You're always in my heart

For you are not alone
