

# You Deserve Better

R. Kelly

Yeah, yeah,  
Understand you going throw some things with this nigga  
This nigga ain't worth it  
Keep it real nigga  
Take it with 'all this shit  
Fly around the world  
Make love to your 'states  
Young nigga  
Treat you like you suppose to be treating  
Like you deserve better babe  
Yeah, fucking with this ground  
Grab your bags and we can leave now  
Girl don't let 'em bring you down girl  
You deserve better babe  
Let a real nigga bring your health  
This main 'you will be better by yourself  
You deserve better babe  
Last time, was the last time  
That nigga will make you cry  
He plane you baseline  
But you don't need no drama, you're too fine  
You need to fly, no doubt  
I can fly you just out of '  
Your destination I know your round  
You will fallow the plane  
Nee that type of nigga gonna blow you  
I'm that type of nigga gonna spoil you  
I can take you lost and no 'girl

I need you around of '  
You must '  
He can buy you flowers girl  
I pull the rose up on your ear  
But throw shots, over 'make you t get my '  
You look like you need'  
Superman right here  
Girl I know that he hurt you  
I got that kind of sex that heals  
This niggas are here fragile  
Gonna let me keep it real  
You deserve better babe  
Yeah, fuck 'em with this '  
Grab your bags and we can leave now  
Girl don't let 'em bring you down girl  
You deserve better babe  
Let a real nigga bring your health  
This main 'you will be better by yourself  
You deserve better babe  
Between love and hate it's a dead line  
Girl, and he can cross that about a thousand time  
You need to make up your mind  
You should be somewhere working on the 'line  
Baby girl you ain't got work  
I make shopping your carrier  
We can save the world again together  
Ya'll stop and 'like hold up  
You ain't getting it back

Sexing you like fifty stacks '  
My chain all on you back  
Girl you've been looking for real love  
And I got what they act '  
You're a butterfly a good girl  
Don't fallow all this traps  
You deserve better babe  
Grab your bags and we can leave now  
Girl don't let 'em bring you down girl  
You deserve better babe  
Let a real nigga bring your health  
This main 'you will be better by yourself  
You deserve better babe  
All I wanna do I'd see you happy baby  
That's all I wanna do  
Is see you smoling baby  
So I'mma turn life into a hotel  
Checking empty sweets  
Show you all the finer things  
You deserve better babe  
Grab your bags and we can leave now  
Girl don't let 'em bring you down girl  
You deserve better babe  
Let a real nigga bring your health  
This main 'you will be better by yourself  
You deserve better babe
