

Baby Get Up

R3hab

You're so close to the wall
Too far from my heart
But I'm ready to come take you away
Make you my home
I don't care where you're from
I don't care where we are
As long as you give me your all

So baby get up
Cause you locked down all your love
Baby get up
Cause this feeling just ain't enough
All I want is all of you
And all of me are loving you
So you better get up
Cause you locked down all your love

So you better get up
Cause you locked down all your love
Baby get up
Cause this feeling just ain't enough
All I want is all of you
And all of me are loving you
So you better get up
Cause you locked down all your love

You better get up
You're so close to the wall
Too far from my heart

You better get up
You better get up
You better get up
Cause you locked down all your love
You better get up
